ORDER

The petition was taken up for hearing. Vide order dated 26.07.2024, PSPCL was directed to submit the details as mentioned therein. PSPCL has submitted its reply on affidavit vide memo no. 6408 dated 02.09.2024. However, Vide Sr. No.3 of the aforementioned Affidavit, PSPCL submitted that no LD system was earlier installed. But through earlier submission made vide memo no.6294 dated 01.06.2021 in Petition No.13 of 2021, PSPCL intimated that the developer had extended his 144.80 kW NRS connection to the individual residents of the colony, the street light and the motor for high rise water tank. It implies that some LD system must have been installed by the developer also. The same may be clarified and cost of LD system earlier installed may be duly accounted for.

Further, Vide Sr. No.1 ibid, PSPCL intimated that 555.6 kW load of earlier released 102 nos. connections was included in the total estimated load of 6034 kW. Thus,

recalculation of the development charges may be made after excluding the load of the connections that already stood released.

PSPCL to submit the above information on affidavit within a week (through hard & soft copy). The petition shall be taken up for hearing on 30.10.2024 at 11.30 AM.
