

PUBLIC NOTICE

STAFF PAPER FOR INVITING OBJECTIONS/COMMENTS FROM THE GENERAL PUBLIC/STAKEHOLDERS ON THE PROPOSAL TIME OF DAY (ToD) TARIFF FOR LARGE SUPPLY AND MEDIUM SUPPLY INDUSTRIAL CATEGORIES OF CONSUMERS.

1. Peak Load Hours restrictions were imposed by erstwhile PSEB to tackle power shortage/regulation and transmission & distribution system constraints during peak load hours. However, the conditions have changed in the last few years, with Punjab becoming a power surplus State and system constraints have also been tackled due to investment in transmission and distribution system. For the past couple of years and during the processing of ARR for FY 2016-17, a view has emerged that Peak Load Exemption Charges (PLEC) should be removed completely and in its place Time of Day (ToD) tariff should be levied.
2. Staff Paper containing proposal for ToD Tariff for Large Supply and Medium Supply Industrial Categories of Consumers is available on the website of the Commission i.e. "www.pserc.nic.in" and can be downloaded there from.
3. Objections/comments from the General Public/Stakeholders on the proposal for ToD tariff, together with supporting material, may be filed with the Secretary, Punjab State Electricity Regulatory Commission, SCO 220-221, Sector-34A, Chandigarh, in person or through Registered Post, so as to reach him within 15 days of publication of this notice.
